

Louisville Hotel Wins Award for Being #1 Hotel in North America Overall for 2009!

Louisville, KY – February 19th, 2010 – Southern hospitality has been just a little bit sweeter in Louisville since the Sheraton Louisville Riverside Hotel opened its doors April 24, 2008.

The hotel has consistently been in the top tier of its brand rankings for Overall Guest Satisfaction as rated by its guests and most recently The **Sheraton Louisville Riverside Hotel** was awarded the **Tiffany Crystal Trophy** for having the **highest Overall Guest Satisfaction in all Sheratons in North America for 2009.**

For the past nine years the honor of the Tiffany Trophy had been bestowed to the Sheraton Suites Calgary Eau Claire a 4-Diamond, all suites hotel in the heart of Calgary.

“Hospitality is a people business. My team cares about our guests, they try hard and they want to do a good job. Everyone works together here to create the best experience possible. Our goal is to do it all over again in 2010!” said Front Office Manager, Nina Moreci.

The trophy should arrive in perfect timing for the big ***Thunder Over Louisville*** weekend and will be on display in the lobby.
